The best of Indian Textiles, high quality 100% cotton yarns, 100% synthetic and blended spun yarns, greige fabrics, home furnishing, garments from India's leading textile mills is the bundle that Kikani Exports brings to the market. Trusted by hi-end customers for consistent deliveries, quality competence and price appropriateness, the company enjoys the confidence of a large client base it has established over decades of expert trading in the international arena.

Kikani Exports deliver an outstanding quality in services well articulated by a systematic process of delivery to its customers:

#### PRODUCT DEVELOPMENT

Kikani Exports nurtures the best product development team amongst its peers. All development requests from customers are meticulously pursued and brought to fruition in quick turnaround timelines. The ability of this team to come up with innovative solutions are legendary.

#### SOURCING

Matching a perfect fit between the Customer, Vendor and the Product is the value that Kikani delivers beyond finding products at justifiable price points for the customer. What help also is the in-depth penetration and the ability to deliver optimum price appropriate quality for which customers place the confidence in the company.

#### PRODUCTION AND QC

To ensure the best of quality a dedicated technical team follows each order through the production processes until the final shipment. Conformity to contracted terms and specifications are strictly adhered to as a routine.

#### SHIPPING

Appropriate documentation, Post-shipping follow-up until the product reaches destinations of its global customers is a given when customers deal with Kikani Exports. A dedicated team expert in logistic operations ensures that customers receive their goods in time and set to standards requested.

**JUDICIOUS SOURCING,  
CONSISTENT QUALITY AND  
SUPERLATIVE SERVICE  
ALWAYS ADD A COUNT  
TO THE PRODUCTS  
WE DELIVER.**

Kikani is an expert at mapping customer-driven services and solutions for varying needs of its customers. The ability to quickly understand customer requirements, instantly source appropriate products at most competitive prices sets the company apart from the competition.

A consistent track record at customer satisfaction has ensured the company an enviable position of trust with customers. The professionalism in terms of trade and the transparency that Kikani brings to the table is well known to its many customers who truly appreciate the value parameters set by the company in dealing with global buyers.

## GLOBAL ORGANIC TEXTILE STANDARD (GOTS)

全球有机纺织品标准 (GOTS)

## OEKO TEX® STANDARD 100 欧洲标准100

## CERTIFICATIONS 认证

Certifications from Oeko-Tex, Germany for export of non-harmful cotton textiles and Global Organic Textile Standard, Netherlands for export of organic cotton textiles speak volumes of its ability to confirm to standards.
